

IRIS Payroll Business

Intelligent, easy to use payroll software for smaller businesses

Created specifically for smaller businesses, IRIS Payroll is a user friendly system designed to make running payroll easy, leaving you to concentrate on running your business. Using an intuitive new menu structure, IRIS Payroll combines powerful functionality with simple to follow processes and guidance, enabling you to handle complex payroll legislation with ease.

Why IRIS Payroll works for smaller businesses:

Award-winning support

No matter how confident you are with payroll, it's always reassuring to know that help is just a phone call away. Because we know how important support is for payroll software, we make it easy to contact our dedicated team of advisors and pride ourselves on the highest levels of customer service.

Transparent costs

We don't believe in hidden costs or charging you for every little thing. Our simple, low-cost pricing makes it easy to budget for your payroll. Available from **£251** which includes 2 companies, up to 5 additional users, telephone and online support and legislative updates.

Reliability

IRIS Payroll is designed by the award-winning team behind EARNIE payroll. With over 30 years' experience in developing payroll software for UK businesses, you're in very safe hands. As the second largest supplier in the UK, 1 in 10 employees are paid via IRIS payroll software.

Easy to use stationery

We can supply all the payroll stationery you need throughout the year including payslips and P60s; guaranteed to fit IRIS Payroll perfectly.

IRIS Payroll also has HMRC Recognition for Year End and In Year Online Filing.

Integration

IRIS Payroll works alongside IRIS P11D and IRIS Accounts Office, allowing you to save time and costs by transferring data electronically.

NEW product!

Key features

- **Ribbon menu** - using the Microsoft Office 2007 innovative ribbon menu structure, it's easy to find your way around IRIS Payroll. A dedicated 'Pay' tab guides you through the steps to complete each payroll
- **Online filing** - send mid-year and year-end forms electronically (P45s, P60s, P35 etc) and apply new tax code notifications instantly with the click of a button
- **Full payroll history** - store payroll data for previous tax years, making it easy to reprint old reports and payslips. No more need to store hard copies!
- **Work pad** - view essential information about your payroll in dashboard style including payroll dates and amounts due to HMRC every month
- **Reconciliation checks** - detailed checks are run automatically every time you finalise your payroll, ensuring any problems are highlighted immediately. No more year end reconciliation headaches!
- **Month-end figures** - IRIS Payroll automatically calculates and displays the amount due to HMRC every tax month so you don't have to remember which reports to print and when
- **Legislative and statutory advice** - a useful HMRC menu provides access to information and guidance on complicated legislation. Includes forms and leaflets for you and your employees on statutory payments, court orders and student loans
- **Year-end menu** - all the tasks required at payroll year end are listed in order for you, making it easy to complete the current tax year and start a new one
- **Quick access menu** - an optional menu which can be configured to suit your individual needs; add the features you use the most
- **Automated back up** - every time you finalise a payroll period a back up of your important payroll data is taken automatically

Price

0-10 employees **£251**

11-50 employees **£363**

Up to 250 employees **£531**
